

**Renishaw plc**  
**Trading statement**  
**6th January 2015**

Following a strong first half year, we expect to report revenue for the first half year to 31st December 2014 of approximately £224m\*, an increase of 37% over the £164m for the comparable period last year. Profit before tax for the first half year is expected to be around £55m, compared with £26m last year.

We continue to see good momentum in our business, with a record order book and we currently anticipate that revenue for the full year will be between £465m and £495m and profit before tax will be between £120m and £140m.

The interim results for the first half year to 31st December 2014 will be released on 29th January 2015.
