This software is a work in progress and not a full commercial product. It is offered here for use by researchers, academics, graphics developers or other interested parties solely for the purpose of disseminating information with the aim of furthering development in this field.

THIS SOFTWARE IS MADE AVAILABLE, AS IS, AND WE MAKE NO WARRANTY REGARDING THE SOFTWARE, ITS PERFORMANCE, ITS MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR USE, FREEDOM FROM ANY COMPUTER DISEASES OR ITS CONFORMITY TO ANY SPECIFICATION. THE ENTIRE RISK AS TO QUALITY AND PERFORMANCE OF THE SOFTWARE IS WITH THE USER.

This software is provided by and through Renishaw plc who have world distribution licence rights over the software in all its formats. Nothing in these Terms and Conditions of Use should be read as holding Renishaw plc liable for any damages and/or losses that may arise through the use or otherwise of this software.

Copyright of the software and supporting documentation is, unless otherwise stated, owned by RMR Systems Limited, and free access is hereby granted as a license to use and copy this software. However, any distribution of this software for commercial gain – whether or not it is packaged with another product – is **not** permitted without prior written approval from the author. In all cases, the following conditions shall apply:

(1) Distribution of source code is not permitted without the prior written approval of the authors. If any part of the source code for this software is distributed then this file must be included, with this copyright and no-warranty notice unaltered; and any additions, deletions, or changes to the original files must be clearly indicated in accompanying documentation.

(2) If only executable code is distributed, then the accompanying documentation must state that "this software is based in part on the work of Roger Rowland of RMR Systems Limited, England". If a charge is made for this distribution, you must first obtain written agreement from the author.

(3) Permission for use of this software is granted only if the user accepts full responsibility for any undesirable consequences;

(4) Renishaw plc and the author accept NO LIABILITY for damages or losses of any kind howsoever arising.

These conditions apply to any software derived from or based on this code not just to the unmodified source. If you use our work, you should acknowledge both Renishaw plc and the author in any resulting publications. In the case of Renishaw plc prior written consent for such acknowledgement must be sought.

Renishaw plc acts as the Distributor of the software for and on behalf of RMR Systems Limited. As such any and all issues, claims and correspondence in respect of a defect, fault or other failure of the software should be directed to RMR Systems Limited.
