Dear Shareholder,

Another year has passed and we would like to remind you of the services which we offer to Renishaw shareholders.

Wotton Travel Limited (WTL) is a member of the Advantage Travel Partnership (providing us with better deals in the holiday market) and the Focus Partnership (providing preferential corporate rates), allowing us to obtain negotiated prices with many airlines, hotels and car hire companies.

As a Renishaw shareholder, you are entitled to a discount on your package holiday if you book with us. The discounts vary and depend on the price we obtain for your chosen holiday. We endeavour to either match or beat internet prices.

WTL holds an Air Travel Organiser's Licence (ATOL). This allows us to put holidays together piece by piece using various airlines, hotels and ground arrangement companies. The ATOL protects our clients in the event any companies used for a holiday run into financial difficulty.

WTL strives to give a "complete" service to our clients at all times in a professional and courteous manner.
