## Certificate of RoHS compliance

Renishaw plc declares that products satisfying the identification criteria stated below have been assessed as compliant to the requirements of DIRECTIVE 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast) (RoHS). As amended by the COMMISSION DELEGATED DIRECTIVE (EU) 2015/863 of 31 March 2015.

**Explanatory note**

Compliance is assured by assessment of all components and materials for compliance with the maximum concentration values of the restricted substances by inspection of suppliers' documentation and audit of the product build in accordance with the harmonised standard: BS EN IEC 63000:2018

**Product identification**

| Product name(s) | Description | From Mod Level          |
|-----------------|-------------|-------------------------|
| RESOLUTE™       | Readheads   | From Serial number: All |
|                 | Accessories | From all -01 Mod Levels |

**NOTE:** The stated modification ('mod') level identifies the start of the compliant build standard. Compliance may be assumed for subsequent modification levels of the listed products.

**Exemptions:**

Products are compliant with application of the following exemptions:

Electronic products are compliant with application of the following exemption: 7(c)-1
