Upgrade to PH10 Upgrade your peace-of-mind

Renishaw now offers a 3-year warranty on an upgrade to the class-leading PH10 motorized indexing head—delivering the ultimate measure of confidence.

- **Longer product life**—now double life cycle tested
- **More robust**—integrated power supply and surface mount electronic technology in the interface
- **Greater reach**—30% more torque allows up to 450mm carbon fiber extensions
- **Advanced flexibility with next generation probes**—PH10M has the additional ability to use the latest generation of 3-axis scanning probes (SP25M range) that use laser-technology to provide ultra-high accuracy in a compact package (only 25mm diameter).
- **Strain gauge accuracy**—ability to utilize strain gauge probes (TP200, TP7M) for greater repeatability and the ultimate in accuracy
