

## UK DECLARATION OF CONFORMITY

This declaration of conformity is issued under the sole responsibility of the manufacturer, Renishaw plc.

The object of this declaration is identified below:

**Product name:** NC4+ Blue Product Range

**Description:** High accuracy non-contact laser tool setting system

**Part number:** A-6435-XXXX  
A-6997-XXXX

The object of the declaration described above is in conformity with relevant UK Statutory Instruments (and their amendments):-

|                    |                                                                                                                           |
|--------------------|---------------------------------------------------------------------------------------------------------------------------|
| S.I. 2016 No. 1091 | Electromagnetic Compatibility Regulations 2016                                                                            |
| S.I. 2012 No. 3032 | The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 – RoHS |

and complies with the following technical standards: -

|                     |                                                                                                                                           |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| EN ISO 12100:2010   | Safety of machinery – General principles for design - Risk assessment and risk reduction.                                                 |
| EN IEC 61326-1:2021 | Electrical equipment for measurement, control and laboratory use – EMC requirements – Part 1: General requirements.                       |
